

The Nameless Man - Natalie Sumner Lincoln

**The Nameless Man
Natalie Sumner Lincoln**

Beginning with an argument about the yellow peril, this novel of murder and intrigue attempts to prove its actuality. Between California and Washington, in diplomatic circles and social life, the mystery runs, implicating white men as well as Japanese. And mingled with the adventure of seeking the fomenter of plots and murder of innocent men, is the never-failing love interest, as troubled as it is true. - Summary by New York Times, quoted in The Book Review Digest, 1917

Read by James R. Hedrick. 24 Tracks. Total running time: 06:44:41
